1. Claims 1-23 are allowed.
2. Applicant's arguments, see page 6, line 21 through page 8, line 17, filed March 31, 2005, with respect to claims 1-23 have been fully considered and are persuasive. The rejection of claims 1-23 has been withdrawn.
3. The following is an examiner's statement of reasons for allowance: The prior art of the record fail to teach or suggest singly and/or in combination a method, apparatus and system for image processing which provides for a identifying candidate edge points in an image being processed, applying a point-based threshold to the candidate edge points, linking edge points passing the point-based threshold to generate edge chains, determining a dynamic chain-based threshold function that is dependent on at least one characteristic of the image being processed, applying the dynamic chain-based threshold function to the candidate edge chains, and removing from a set of edge chains those candidate edge chains that fail to pass the dynamic chain-based threshold function as prescribed for in the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
